

ORDINANCE NO. 96.5

VILLAGE OF ALMONT

WATER ORDINANCE AMENDMENTS

ORDINANCE NUMBER 134

An Ordinance to amend the Almont Village Water Ordinance, being Ordinance Number 96, in order to clarify Village responsibility as to providing water meters for individual dwelling units.

THE VILLAGE OF ALMONT ORDAINS:

The following sections of Ordinance Number 96 are hereby amended to read as follows:

Section 1B. CONSUMER. An owner or any house, building, structure, premises, lot or parcel of land to which water is supplied by the Village of Almont. In the case of mobile home parks and multi-family dwellings, the consumer shall deem to be the owner of the mobile home park or apartment building.

Section 3. WATER METERS. All premises using water shall be metered. In the case of mobile home parks or multi-family dwellings, one water meter shall be used for the entire premises. In the case of premises which are authorized to use wells pursuant to Section 2 of this ordinance, such wells shall be metered for the purpose of determining water use and affixing the proper sewer charge.

The undersigned President and Clerk of the Village of Almont hereby certify that this ordinance was adopted at a meeting duly held on the 16th day of August, 1983 and that the ordinance was duly published after adoption in the Tri-City Times in the edition of the 25th day of August, 1983. Said ordinance shall take effect immediately upon said date of adoption.

William Claridge, Jr., President

Farel K. Hinton, Clerk
